II. The right to request the inclusion of particular matters on the agenda of the meeting

Shareholders or a shareholder representing at least one-twentieth of the Company's share capital have the right to request the inclusion of particular issues in the agenda of the Ordinary General Meeting. The demand should be submitted to the Company's Management Board no later than 21 (twenty-one) days before the scheduled date of the Ordinary General Meeting, i.e. by September 9, 2022. The demand should include a justification or a draft resolution regarding the proposed agenda item. Requests should be sent to the address of the Company's registered office or in electronic form to: hello@polarisitgroup.com. The request should be accompanied by documents confirming the right to submit the request. The Management Board shall promptly, but no later than 18 (eighteen) days prior to the scheduled date of the Ordinary General Meeting, i.e. by September 12, 2022,

announce changes to the agenda, introduced at the request of shareholders. The announcement shall be made in a manner appropriate to the convening of the Ordinary General Meeting.

III. Shareholder's right to propose draft resolutions

A shareholder or shareholders of the Company representing at least one-twentieth of the share capital may, prior to the date of the Ordinary General Meeting of Shareholders, submit to the Company drafts of resolutions concerning matters placed on the agenda of the Ordinary General Meeting of Shareholders or matters to be placed on the agenda. The submission should be made by sending the draft resolutions or matters to be included in the agenda in writing to the Company's registered office address or in electronic form to hello@polarisitgroup.com. The notification should be accompanied by documents confirming the right to make the notification. The Company will immediately announce the draft resolutions on the Company's website.

IV. The right to submit draft resolutions on the matters placed on the agenda at the Annual General Meeting

Each shareholder may, during the Ordinary General Meeting, propose draft resolutions on matters included in the agenda. In addition, a shareholder has the right to propose amendments and additions to the draft resolutions included in the agenda of the Ordinary General Meeting - until the closing of the discussion of the agenda item covering the draft resolution to which such proposal relates. Such proposals, together with a brief justification, should be submitted in writing - separately for each draft resolution - giving the name and surname or company (name) of the shareholder, to the Chairman of the Ordinary General Meeting.

V. Method of exercising voting rights by proxy

A shareholder who is a natural person may attend the Ordinary General Meeting and exercise voting rights in person or by proxy. A shareholder who is not a natural person may participate in the Annual General Meeting and exercise voting rights through a person authorized to make statements of intent on his behalf or through a proxy. The power of attorney should, under pain of invalidity, be in writing and attached to the minutes of the Ordinary General Meeting or granted in electronic form. A form containing a specimen power of attorney is available from the date of publication of this announcement on the Company's website (www.polarisitgroup.com), under the "For Investors" tab. The Company should be notified of the granting of a proxy in electronic form by means of electronic communication in the form of an information sent by e-mail to hello@polarisitgroup.com, attaching the proxy document in PDF file format, making every effort to enable effective verification of the validity of the proxy, in particular attaching a photocopy or scanned version of the certificate issued by the entity maintaining the securities account on the right to participate in the AGM, in PDF file format. The information on the granting of a power of attorney should include an accurate identification of the proxy and the principal (indicating the name, surname, address, telephone and e-mail address of both). Information on the granting of a power of attorney should also include its scope, i.e. indicate the number of shares from which voting rights will be exercised and the date of the Company's Annual General Meeting at which these rights will be exercised. All consequences associated with the incorrect issuance of a power of attorney and the risk associated with the use of an electronic form of communication in this regard shall be borne by the principal. The granting of a power of attorney in electronic form does not require a secure electronic signature verified by a valid

qualified certificate. The Company will take appropriate measures to identify the shareholder and the proxy in order to verify the validity of the power of attorney granted in electronic form. This verification may consist, in particular, in a return question in electronic form or by telephone addressed to the shareholder or proxy in order to confirm the fact of granting a power of attorney and its scope. The Company stipulates that in such a case, failure to answer the questions asked during the verification will be treated as the inability to verify the granting of a proxy and will constitute grounds for refusing to allow the proxy to participate in the AGM. The right to represent a shareholder who is not a natural person should be evident from the relevant register, or a sequence of powers of attorney. The person(s) granting a power of attorney on behalf of a shareholder who is not a natural person should be shown in the relevant register for the shareholder.

A member of the Company's Board of Directors and an employee of the Company may be proxies for shareholders at the Annual General Meeting. If the proxy at the Ordinary General Meeting is a Member of the Company's Management Board, a Member of the Company's Supervisory Board, a liquidator, an employee or a member of the bodies or an employee of a company or cooperative dependent on the Company, the proxy may authorize representation at only one General Meeting. The proxy must disclose to the shareholder the circumstances indicating the existence or possibility of a conflict of interest.
